2023 Student Information Lett

Parents/Sponsors/Students:

The Blue Ridge Adaptive Snow Sports (BRASS) program would like to welcome our returning families and students, as well as those joining us for the first time as we approach our 2023 season. We are eagerly anticipating another great season on the slopes with each of you. To aid us in making your experience the best, there are a few items that you can assist on with.

The first is completing two forms:

1. [Waiver/liability document](#)
2. [Student information form](#) - this form is by far the most important for us as it helps our staff and instructors to prepare to offer a most memorable experience on the snow.

Both forms are included as attachments and can be found on the [reservations page of our website](#).

On the student information form, we ask you to annotate any special needs of the students and highlight anything our instructors should watch for or be aware of. The rest of the form should be self explanatory. The BRASS staff will maintain these two documents in the students folder for the entire season. Both forms are PDF fillable and can be emailed to BRASS (brassadapt@gmail.com) upon completion prior to your arrival.

The BRASS Program coordinator will email you the Thursday prior to your reservation as a reminder, providing your instructor's name and any other information we may need prior to or the day of your arrival. You also may receive some automated reminders from our Fareharbor scheduling system.

On the day of your sessions, please arrive 15 minutes prior to your start time in order to meet your instructor, ensure all paperwork has been completed, and collect any rental equipment that has been previously requested. Your assigned instructor will have the lift passes for the day. If you have not paid for the session ahead of time, which you can do through your confirmation email link, and we encourage you to do so, payment will be collected at the time of check in. Everything that can be completed in advance of your session, to include form completion/submission, and payment will expedite the check in process.

The BRASS check in room is located in the Liberty Mountain Resort Learning Center. Signs are posted directing you to the building and the room once in the building.

Should you have any questions or concerns please do not hesitate to contact the BRASS Program coordinator. Our goal is to make this an exciting and memorable experience for all. See you on the snow!

Paul Oswald, Program Coordinator
