

**BLUE RIDGE ADAPTIVE SNOW SPORTS (BRASS)**  
**Liberty Mountain Resort**

February 11, 2025

**SUBJECT:** Sno-Go Guidance

All BRASS personnel must complete the PSIA-AASI Sno-Go E-Learning Course and submit it electronically to brassadapt@gmail.com prior to using BRASS-owned Sno-Go equipment. These certificates will be maintained in individual volunteer files.

Sno-Go Lead Instructors and volunteers will be trained in the safe use and teaching methodology by a BRASS-authorized Sno-Go trainer (See BRASS letter, dated February 10, 2025, Subject: Qualifying Volunteers for BRASS Adaptive Instructor Roles). Sno-Go Lead Instructors will have their status documented and maintained in individual volunteer files.

BRASS-owned Sno-Go equipment will only be used in BRASS adaptive lessons, BRASS Sno-Go training sessions, or by BRASS volunteers to develop their Sno-Go expertise. If not participating in BRASS Sno-Go lessons or training sessions, users should not wear their BRASS uniforms unless they are qualified as Sno-Go Lead Instructors.
